(each, a “Fund” and collectively, the “Funds”)

Supplement, dated May 28, 2024
to each Fund’s Current Statement of Additional Information (“SAI”)

*This supplement updates certain information contained in each Fund’s SAI
and should be attached to the SAI and retained for future reference.*

Effective May 28, 2024, the standard settlement cycle for most U.S. securities transactions will be shortened to one business day from the transaction date, or “T+1.” Notwithstanding anything to the contrary in each SAI, effective May 28, 2024, the settlement date for all creation and redemption orders is generally the first Business Day following the Transmittal Date (“T+1”) unless a Fund and an Authorized Participant agree to a different settlement date. Accordingly, effective May 28, 2024, all references to “T+2” in the “Creation and Redemption of Creation Unit Aggregations” section are replaced with the phrase “T+1 (except as otherwise set forth in the Participant Agreement or as agreed to by a Fund and an Authorized Participant)”.
